### MAMS Artists Create Magnets to Benefit Haiti

Moon Area Middle Schools students have created Haiti Houses to benefit earthquake relief efforts in Haiti. The home-shaped magnets are original artwork by Moon Area students and are on sale for \$2 each in Moon Area Middle School main office and the district's central administration office.

Haiti Houses encourages people to create homemade pins and magnets and donate funds to one of eight approved charities included on their Web site at [www.haitihouses.org](http://www.haitihouses.org). The charities include UNICEF, Doctors Without Borders, Food For The Poor, American Red Cross and more.
