McCormick's Elementary School fifth-graders Madison Elias and Hope Valley received the Moon Area School District's Tiger Spirit Award on Monday, October 10<sup>th</sup>.

The district created the Tiger Spirit Award in order to focus on students' positive character traits and to recognize students for personal achievements and excellent classroom behaviors that reach beyond academics. McCormick teachers chose Madison for her leadership, cooperation, and friendliness, among other traits. She also gained the attention of her teachers by proving to be a helpful role model to younger students. Hope was chosen for providing her teachers with assistance and knowledge while also showing strong focus and determination.

Allard, Bon Meade, Brooks, Hyde and McCormick elementary schools and Moon Area Middle and High Schools each recognize two students one month out of the school year. Teachers submit nomination forms to building principals, who select the most deserving students.

Tiger Spirit Award winners are presented a certificate and a donated gift card from Penguin Bookshop in Sewickley during monthly Board of Education business meetings by Dr. Donna K. Milanovich, Superintendent of Schools.
