MAHS Pair Places in Top Three at Science Challenge

MAHS Senior Ankit Medhekar and Ling-Ling Lee display their third-place certificates with PSU Beaver Chancellor Gary Keefer.

Moon Area High School seniors Ling-Ling Lee and Ankit Medhekar claimed third-place at the 14th Annual Midwestern Pennsylvania Association of Science Teachers (MidPAST) Science Challenge at Penn State Beaver on April 17. The pair bested 15 other teams from nine area high schools in Moon Area's first challenge participation. A second team of seniors Sid Govindarajan and Ryan Mischler also represented MAHS at the competition.

The annual event gives high school students a chance to compete in a unique laboratory setting. Each team of two students was given a three-hour time frame to utilize their laboratory skills to complete two experiments in chemistry, physics, and biology.
