

DIRECTIONS TO ACCESS THE HARCOURT ONLINE TEXTBOOKS

This year, students in grades 1-5 may access their mathematics books and other online resources through the Harcourt eProducts web site. This document explains how students may access the site.

Step 1. Go to our website: www.moonarea.net. Click "I'm a Student." Click "Online Textbooks." (You may have to scroll down.) On the main screen, under "Elementary Level," click "Harcourt School Publishers" or you may use Harcourt's address in your Internet browser: www.eharcourtschool.com

You will see this screen:

Step 2: All students have already been registered and their user name and password is the student number plus "y10." (**Do not use the quotes.**) The "y10" stands for the year of 2010. i.e. 12345y10

When you log in successfully, you will see the screen below. You may then click on the blue underlined links to go to the online eBook or the online assessment.
